## We're Moving!

First of all, we would like to thank you for your continued support. It is you that make our cruise-ins what they are. Beginning this June, we will be relocating to the Mississippi Valley Fairgrounds. We have contracted with them for the months of June, July, August and September of 2010. We will have more space, which will open up opportunities to bring you bigger and better things. Everything that has made these cruise-ins a success will continue. We will still have the door prizes, 50/50 drawings, entertainment, and everything you look forward to at our cruise-ins. Donation amounts for all vehicles and spectators will remain the same. We are moving up our starting time from 6pm to 5pm. We thank you for your continued support, and look forward to serving you this year from the Mississippi Valley Fairgrounds.
