Hello Cruisers!

As I write this I am reminded that this is the 40th time I have done so. For forty years we have been fortunate enough to serve the car show community. We have seen a lot of cars and traveled a lot of miles, but most of all we have been blessed with the fellowship of some of the most wonderful people in the world. The love of the automobile has brought together people from all walks of life with one common interest. Whether it is the Model-T or the latest Super Car, we have formed friendships that will last a lifetime.

We travel together, we show together and we share each other's experiences, hopes and dreams. I can not imagine a career that would be more rewarding that the one that we have pursued for the last 40 years. We are so blessed that the car show community has accepted us. We thank each and every one of you for the courtesy and kindness you have shown us over the years and we look forward to serving you for the 2026 season.

David, Susan and all the 3-D staff.
