Cruisers,

Seems like just yesterday we were wishing winter was over and car show season was here! Well, another season is gone and winter is approaching again! We hope you enjoyed the car and truck shows that we dj'ed this summer! It certainly is a fun hobby for both us and all you car and truck people! We couldn't have these events if it weren't for you and all your unique vehicles. We always look forward to seeing what new things you are doing each year!

Now get to work on your newest, latest and greatest creations, so we can see them next spring! As always our first event will be mid-January in East Moline at the Bend center. If you haven't been to this show, put it on your schedule for January 2027!

We'd also like to thank our sponsors, for which we couldn't bring you this printed copy of the car events each season! As with everything else, the prices on copying are still going up, but we also have it available online for you that are computer savy!! So please share with your friends all the upcoming events each season! See you out there somewhere soon!
